

Publication of Class Size Information

Readers will be aware that the publication of information on class sizes, originally scheduled to be published as part of the Statistical First Release "Schools, Pupils and their Characteristics", was delayed due to issues with the data.

These issues have been resolved and the tables on class size, accompanied by a short commentary, have now been published and can be accessed as additional tables to the SFR at <http://www.dcsf.gov.uk/rsgateway/DB/SFR/s000843/index.shtml>.

Local Authority data will be published as additional tables in July.
